Hi David,

I apologize for the delayed response. Steve and other staff have been in San Luis Obispo and Bakersfield this week for a work related hearing and training. I will touch base with Steve and give you his availability within the next couple of days.

Thanks,

**Marisha**

Hello: I was just talking with Mike Montgomery and he is asking if it might be possible to move our next scheduled UIC meeting (it is now scheduled for Oct 15 at 1pm). Potential options are Friday the 16<sup>th</sup>, flexible timing for us, especially if we hold it in SF, or moving the time on Oct. 15<sup>th</sup> to the morning (9:30am or so for us to be in Sacramento). Let me know what might work for Steve, Jon, and others.

Thanks,

David
